### LODGE HONORS MEMBER BEFORE HER DEPARTURE

The members of the local lodges of I. O. O. F. and Rebekahs paid a nice compliment on Tuesday night to their esteemed sister, Mrs. Louise McElroy, who is shortly to depart for a trip to Europe. They arranged a surprise party at Odd Fellows Hall and having gathered there to dance and make merry with their guest of honor, further surprised her by presenting her with a neatly wrapped package as evidence of the love and esteem of both lodges. Mr. LaTorres made the presentation in a neat speech, voicing the sentiment of the sixty members present. Mrs. McElroy discovered, after much unwrapping, that her gift was an octagon shape gold wrist watch engraved with the three gold links, symbolic of the Order, and on the back the inscription, "Gift from Verdant Rebekah Lodge No. 99, I. O. O. F., Feb. 14, 1922." Though quite overcome at the thought and generosity of the lodge members, Mrs. McElroy acknowledged the gift with evident feeling of joy at the happy surprise and honor.

A jolly evening of dancing and social converse terminated around the banquet tables, where a bounteous repast was served.

Mrs. McElroy has been an enthusiastic and loyal member of the Rebekahs and has contributed much to the practical and social side of the order since affiliating with it.

She has booked passage on the steamer Manchuria which sails from New York April 23, and will be wished bon voyage by a host of Sonoma friends. The traveler will spend the summer in Germany visiting relatives.

### EASTERNERS LOCATE HERE

Mr. and Mrs. Wald of Chicago have purchased ten acres of land near Sonoma Grove and have already started construction on a barn, the residence to be built a little later. They have been registered at the El Dorado Hotel for some time past and have been looking around with a view to purchasing property and settling in Sonoma. The acreage they decided upon belonged to a San Francisco policeman and was bought through Jack Murray.

### GRAND MASK BALL HERE TUESDAY NIGHT

Redmen and Daughters of Pocahontas Give Benefit for Convention Fund. Fine Prizes.

One of the most successful masquerade dances in years is predicted for Washington's birthday eve when the local lodges of Redmen and the Daughters of Pocahontas will be the hosts at the big benefit for the convention to meet here in July. Union Hall should be crowded with maskers judging by the costumes being prepared by party goers. A competent committee of judges will award three valuable prizes to the best group of five, best dressed and most original characters.

Frank Muller, as floor manager, assures everybody a real social time and Si Perkins' jazz orchestra will render all the late dance hits in the inimitable style of these syncopaters. A grand march and lancers will be featured.

### PICKED PRETTIEST GIRL AT DON THEATRE

At the performance of the Second Honey Moon at the Don Theatre on Thursday night the Penfold Stock Company's \$5 prize to the prettiest girl in the audience went to Miss Verna Quararoli.

"Turn to the Right" is the drama for next Thursday.

### TO OPEN BRANCH DRUG COMPANY AT BOYES

Louis Lambert, of the Sonoma Drug Company, has announced that a branch of the firm to be known as the Boyes Springs Drug Company will be opened at Boyes Springs. The present box-ball building on the way to the bath house has been selected and already shelving, counters and other fixtures are being installed.

### SUBLET PART OF THEIR HANDSOME HOME

Mr. and Mrs. L. S. Simmons have rented a part of their beautiful large home on Second street east to Mrs. Florence Cutter and her mother, Mrs. H. C. Manuel, who have returned to Sonoma after two year's residence in Los Angeles with another daughter. Mrs. Cutter retains her ranch but will spend the winter in town.

### CORONER'S JURY HOLDS JOHNSON RESPONSIBLE

The jury summoned by Coroner F. Phillips in the death of John Albert Johnson, who was shot and killed at Glen Ellen last Friday, brought in a verdict that deceased came to his death from internal hemorrhage caused by a gun shot wound inflicted by William Johnson, his son.

District Attorney Hoyle appeared for the people and Wallace Ware represented the youth charged with the killing of his father.

Witnesses examined were Dr. Thurlow, Deputy Sheriff Ryan, Julius Panerazi and others.

Attorney Ware intimated that a strong fight would be made to prove justifiable homicide. It is said that the father had threatened the whole family who had lived in terror of him and that before coming to Glen Ellen he was implicated in trouble but got out of it on a plea of temporary insanity.

The coroner's jury found that but one gun-shot wound was fatal, the other two shots fired inflicting only incidental injury.

### DATE SET FOR THE ANNUAL I. O. O. F. BALL

The members of Sonoma Lodge No. 28, I. O. O. F., have set Saturday night, April 22, as the date of their annual ball. The affair will be the first social event after Lent and will be held at Union Hall.

### RELATIVES OF BOYNTON'S WIFE SHARE IN ESTATE

An opinion concerning the distribution of the estate of the late Fred Whiting Boynton was filed Saturday by Superior Judge R. L. Thompson, in which Robert W. Vallandigham, a grandson of the late Alexander Dodge, a brother of the deceased wife of Boynton, was named as an heir.

The property in question in the petition, which was filed some time ago by Frank H. Phillips, consists of a one-third interest in a ranch near Boyes Springs, valued at \$8000 and cash to the amount of \$1087.07, left Boynton by his deceased wife.

The remainder of the Boynton estate was distributed some time ago by the courts to H. E. Boynton, J. A. Hainer and Blanche E. Ford, brother and sisters of the deceased. The heirs of the late Mrs. Boynton were Dodge C. Chas. A., Richard M. and Dorothy C. Reidy, children of her deceased sister, and Robert Vallandigham, a grandchild of the late Alexander H. Dodge, a brother of Mrs. Boynton.

Judge Thompson's opinion granted one-sixth of the entire property to Robert Vallandigham and an undivided twenty-fourth of the residue of the estate to each of the four children of Mrs. Boynton's deceased sister.

### MASK BALL TONIGHT

Tonight is the mask ball at the Chauvet Hall, Glen Ellen. Peters' orchestra will play and a large crowd is expected from this valley and adjacent cities.

### \$1243.04 INHERITANCE TAX ON THE BURRIS ESTATE

Inheritance Tax Appraiser Donald Geary has forwarded to State Controller Ray L. Miller his report in the matter of the estate of the late Mrs. Julia A. Burris of Sonoma. The inheritance tax is fixed at \$1243.04. The value of the estate is \$226,965.66.

### M. KAPLAN AND BROTHER JAILED

Local Merchant With Brother Apprehended With Part of Stock Said to Belong to Creditors.

Following close upon the sale at Santa Rosa of the bankrupt stock of M. Kaplan, local merchant, came Kaplan's arrest Wednesday on a charge of concealing goods with intention to defraud his creditors. Kaplan and his brother were arrested here and locked up in the local jail while a truck load of merchandise, seized at Napa, is held as evidence against them. Their bail was fixed at \$2000 and being unable to furnish it they remained behind the bars all Wednesday night.

Kaplan is alleged to have taken the goods from his Sonoma store in the Bulotti block after he had made a return of inventory following his declaration of voluntary bankruptcy. His creditors numbered over fifty. The felony charge against him is a penitentiary offense.

At the commissioner's sale in Santa Rosa Tuesday Poulson & Company of that city bid in the stock of the Sonoma store for \$6060. They planned to ship the goods to Santa Rosa and sell it there but finally decided to give local people advantage of the bankrupt prices and in this issue of the Index-Tribune announce some of the big bargains to be obtained. The sale starts today and will continue to February 28, when the firm must vacate the building.

### CHAMBER OF COMMERCE MET ON THURSDAY

At the regular meeting of the Chamber of Commerce at Boyes Springs Thursday night these who attended enjoyed an unexpected treat in the visit from Henry Speas, vice president of the Golden Gate Ferry Co., who addressed the meeting. He strongly recommended affiliation with the American City Bureau as a means of revitalizing Sonoma Valley's promotion organization. Mr. Speas is a member of this Chamber of Commerce and interested in its progress. It was planned to hold the next meeting, the first Thursday in March, in Sonoma when officers will be nominated for the next term and the American City Bureau plan further gone into. The plan is heartily endorsed by Messrs. Minges, Darling, and other prominent members of the organization. The advisability of making Sonoma the regular meeting place of the Chamber of Commerce will be discussed at the March meeting.

### REA HUNTER HEADS SONOMA BOY SCOUTS

As a result of the Boy Scout meeting held Monday night a council of 27 members was organized and this council decided to affiliate with the Petaluma council. The officers elected were Rea B. Hunter, president and representative on the Petaluma district executive board; William D. Rambo, vice president; E. S. Crowe, secretary; N. J. Haggie, treasurer; and a troop committee was appointed with J. T. Prestwood as chairman and Henry Watters and John Mohr, members. This committee selected Rev. E. S. Crowe as its scoutmaster for the Sonoma troop. The president will appoint his committees shortly.

### CONSIDER PURCHASING OLD HIGH SCHOOL

It is rumored that at least two fraternal orders, one of which is the U. O. R. M., is considering the purchase of the old high school building shortly to be offered for sale. While no price has been set or offered, Messrs. Burris, Carter and Wagner, the appraisers named by the high school trustees will shortly report on the probable value of the property.

It is pointed out that the school building would afford ample dance floor space, meeting rooms, banquet hall, kitchen facilities, while the grounds would be admirably adapted to recreation, picnic ground, tennis courts, ball ground and parking space.

### HIGH SCHOOL NOTES

Sonoma Valley high school by defeating Healdsburg High in a basketball contest played at Petaluma last Tuesday afternoon is the champion 130 pound team in Sonoma county. The score of the game was 37 to 20.

The 130 pound team has made an enviable record this year. They played six preliminary games, winning five of them. They also played six league contests and won five. The only team which has defeated Sonoma high in an official game was Healdsburg and last Tuesday the local school took a sweet revenge.

The contest which decided the county championship was played by the two teams with a high measure of skill. The result was in doubt until the last five minutes of play. While Sonoma was always in the lead yet again and again Healdsburg came within one goal of Sonoma's score. As usual, Healdsburg played with exceptional team work but this time Sonoma high matched them at their own game. Individually the Sonoma men showed more skill. Every goal which they made required a combination of the whole team. There were no flukes. Many earned goals were missed. The Healdsburg team scored frequently by lucky breaks, "horse-shoes," as they say.

Every member of the team played well, Robin playing his usual airtight guarding game. Prestwood, however, deserves particular mention for he was like a flash of lightning at all stages of the game. The team consisted of Wirtz and Kiser, guards; Hyde, center, and Robin and Prestwood, forwards.

The students of the high school are particularly proud of the backing which they received from their town. Although the games required considerable financing, yet the crowds have more than paid expenses. It was not only the parents of the pupils in school, but men and women of the community who had no immediate interest, regular fans who closed their place of business when necessary to see the game.

The biggest and most important game is yet to be played. It will decide the championship of the Northwestern League. The game will be played today at Fairfield in the high school gymnasium. Sonoma high will be matched against Vallejo. If Sonoma wins, it will mean the second championship this year for our school. The first was in tennis last fall when Hyde, Gilbert and Prestwood mowed down every school in all the counties of this coast north of the bay.

Three trustees of the high school and the principal motored to San Quentin prison last Tuesday to inspect the construction there of school furniture. They spent a most profitable day there. They were shown through the entire prison. The process of hanging was thoroughly explained. A volunteer was called for to illustrate how the hangman's noose worked, but there were no volunteers. After taking finger prints of the most suspicious looking among the committee, they were dined and released. They then motored to Petaluma and got there in time to see Sonoma high defeat Healdsburg in basketball.

Last Saturday evening, the school gave a dance and farewell reception to James and Windsor Bigelow.

### MOEBES-ENGLISH WEDDING TODAY

Couple Prominent in Fraternal Circles Will Be United by Rev. H. Gerke at High Noon.

At the pretty home of the bride on Spain street, Mrs. Augusta Moebes and Joseph English will be married today at high noon by the Rev. H. Gerke of San Francisco. The attendants will be Mrs. Rosa Randolph and John Gross of Sebastopol. Mrs. Moebes will wear a rich black lace wedding gown made in the latest overdress style and her matron of honor will wear blue georgette crepe.

Mr. Gross, the best man, is a great friend of the contracting parties and was formerly foreman at Rhine farm. He is now a rancher of the Sebastopol district from which he is coming specially for the happy occasion.

Only relatives, including the bride's mother and grown-children will witness the ceremony, but a few close friends will participate in the wedding dinner to follow and felicitate the happy groom and his good frau.

### LOCAL AND PERSONAL

Judge Denny received the sad news this week of the death of a young nephew from influenza. The boy was the son of Ruby Haskell Nissen of Petaluma, a sister of the ex-jurist.

The many friends of Henry Burmaster, recently elected master of Sonoma Lodge, F. & A. M., and a prominent poultry man, will be sorry to hear that he has been very ill with the gripe.

In order to be with her mother, Mrs. Natalie Davis has come to Sonoma to make her home. Mrs. Davis has been coming from San Francisco on Saturdays heretofore, giving piano lessons to a large class of students, and will broaden out her work here.

A party of Native Daughters of Sonoma Parlor visited the Santa Rosa parlor of Native Daughters on Thursday night. Among those making the trip were Florence Robin, Lenora Fochetti, Clara Fouts, Catherine Wyle, Myrtle Steumer and Norma Hansen.

We know better than to tell you where to buy your drugs and where to have your prescriptions filled. Your intelligence will decide that. My long years of experience and service here among you is my recommendation for just treatment to my friends. —Simmons' Pharmacy. —adv.

The many friends of George Engler, retired vineyardist and pioneer booster of Sonoma Valley, will be pleased to hear that he is recovering from an injury to his knee for which he has been under the care of Dr. Hennessey several weeks past. Mr. Engler was confined to his bed three weeks following a fall while going into his barn.

### SONOMA VISTA IMPROVEMENT CLUB EVENING

A pleasant evening of cards, dancing and refreshments drew out a large crowd to the Sonoma Vista club house last Saturday night, proceeds being utilized to pay off the indebtedness on the cozy community building. Messrs. Peters, Steumer, Benedette and Bosserman acted as committee of arrangements and reception. Many useful and pretty articles were disposed of for the good cause before and after the whist game. High scores were made by Mrs. Moebes and W. L. Murphy and low scores by Messrs. Ostrom and Turner.

### NATIVE DAUGHTERS MEET

The N. D. G. W. of Sonoma held their regular monthly meeting Monday evening, Feb. 13, with all officers present. Just before the meeting was called to order, Mrs. Woodworth, Miss Meta Stofen and Mrs. Hunter gave a talk on the care of the Mission. After all business affairs were attended to a tempting supper was served. Each one received original valentines, to their amusement, missives of imagination.

A committee is to be named by the president to co-operate with the other organizations on the Mission.

Mr. and Mrs. E. E. Bennett have located in San Jose.

## SENATOR SHORTRIDGE'S TRIBUTE TO MCKINLEY

A SPLENDID and deserved compliment to a stalwart American who is the prototype of that valiant Republican statesman and ex-president, William McKinley, was the recent choice of California's senator, Samuel M. Shortridge, to speak in Ohio at the memorial to the distinguished son of that state. The address, so eloquent and sincere, teamed with the pride the senator feels that the Republican party has had such magnificent men to its credit and that present day achievements are not only in keeping with the ideals they expressed, but even more glorious in their reality than anything dreamed of by them, if one stops to consider what has been surmounted and overcome by illustrious genius—successors entrusted to bring sanity and order from war's madness and chaos.

Mr. Shortridge grasped the broad character and philosophy of McKinley and paid him the greatest possible tribute as a builder of a great nation and friend of humanity by stressing the party note in his theme. Men of McKinley's type do not regard life's brief span called individual career of much moment, but they do regard party principle and the furthering of it in so far as individual zeal and talent permits a high duty and privilege. Senator Shortridge's forceful eloquence revealed in every phrase his lofty attitude and appreciation of the revered son whom Ohio continues to commemorate and honor annually. Not, however, did the Californian relegate to second place present day achievements of the party of which William McKinley was so notable a representative.

Though the martyred McKinley is of the dust, the Republican party led by another illustrious Ohioan, has entered upon an era of miraculous progress—a progress which is nothing short of a triumph in social evolution, for to such classification the consummation of recent Republican undertakings at Washington obviously lead themselves. Mr. Shortridge fresh from participation in this proud page of history and cognizant of Ohio's part in the grand consummation, paid her sons a tribute that will not soon be forgotten.

EVIDENTLY THE EBB BASKET TOWN is not going to have any lairs of liquor under the eggs, judging by the recent bootleggers' arrests in that city.

WE HOPE UNCLE JOE CANNON didn't decide to quit on account of disarmament. He is a big gun worth while.

## MERYL BISH SCORES HIT IN FARCE AT SANTA ROSA

Large audiences witnessed the two presentations of the Junior College farce, "The Elevator," given Friday afternoon and evening at the high school auditorium by the members of the Junior College English department under the direction of Miss Genevieve Mott.

The Junior Collegians, under the direction of Miss Mott, carried off the farce and the accompanying vaudeville acts in a very creditable manner. The audiences were particularly pleased with the antics of Meryl Bish, well known local comedian, as the elevator boy. He also contributed a vaudeville skit during the evening.

The story of the play dealt with a formal reception at the home of the Robertses, and the inability of the guests to arrive on time because the elevator had become stuck between floors. Some very amusing incidents and the inevitable love theme were incorporated in the play.

The first scene was laid in the apartment, with the host and hostess awaiting the arrival of the guests. The next scene showed the frantic guests in the stalled elevator, while the third and final scene showed the arrival of the belated guests.

### ARTHUR FISK POINTS OUT SUPPORT DUE RAILROAD

Arthur Fisk, a coast division fireman, ex-service man and son-in-law of Mrs. Kate Buchan of this place, has addressed a splendid letter to the Chamber of Commerce of his home town, Pacific Grove, pointing out why the merchants should support and encourage the railroads instead of the auto trucks. His letter was reprinted in a recent issue of the S. P. Bulletin as follows:

"I would like to call your attention to what the railroads are up against and what it means to Pacific Grove for the southern Pacific Company to maintain its terminal here and why you should patronize them, said A. M. Fisk, Coast Division fireman, in a letter he recently addressed to the secretary and members of the Chamber of Commerce at Pacific Grove.

"Mr. Fisk showed how the highways, built at great expense by the State of California, with money collected in taxes from the public, including the railroads, are broken up through the operation of privately owned automobile truck and bus lines. He emphasized the necessity for an adequate state tax upon the highway carriers.

"Touching upon the local situation at Pacific Grove, he continued:

"The companies handling freight and passengers out of Pacific Grove via automobile do not maintain stations in our city for the convenience of their patrons but use our public streets for this purpose. They do not employ anyone who resides in Pacific Grove, neither do they have any payroll that could in any way compare with that of the Southern Pacific Company; in fact, they have no payroll at all in Pacific Grove. They spend but little if any money here unless it should happen to be for gasoline to enable them to get out of town. If all the business here was handled by rail it would enable our local truck drivers and taxi men to make more hauls and keep this money in Pacific Grove. Do the auto busses mean more to Pacific Grove than the advertising the Southern Pacific is giving our community? If not, then the solution is to patronize the railroad. The local merchants are inconsistent in their argument against us patronizing mail order houses when they themselves patronize the truck and jitney instead of a permanent institution in the shape of the railroad.

"Southern Pacific service to Pacific Grove is exceptionally good in view of the fact that we are located on a branch line. We want to see our present service continued and we know it will not be without every one's co-operation. We hope the merchants of Pacific Grove will work hand in hand with us in an effort to retain what we now have—a good service. Do you know that if one train were discontinued out of Pacific Grove that twelve families would have to move from your city? There are 46 railroad men working out of Pacific Grove, most of these men are married and their families

reside in Pacific Grove; many of them own property here and are contributing in the form of taxes to maintain an unfair competitor to the railroad upon which they are employed.

"The payroll for Southern Pacific employees working out of Pacific Grove is approximately \$9,000 per month (this does not include the section gang, some of whom live in Monterey and others in Pacific Grove); practically all of this money is distributed among local merchants for the necessities of life or invested in this community. The Pacific Grove Chamber of Commerce stands for the advancement and enlargement of Pacific Grove and so does the Southern Pacific Company because they have money invested here. Do any of the auto busses or trucks running in here care about Pacific Grove's advancement? No! Because they have no money invested here.

"In conclusion I would like to say to the local merchants that we know who is having their freight shipped in by truck and that our \$9,000 per month payroll should not be lost sight of; in other words, 'Don't bite the hand that's feeding you.'

"I just put this matter before you in a fair way, hoping that the fair-minded members of the Pacific Grove Chamber of Commerce might take some action on my suggestion, as it not only means a great deal to Pacific Grove, but to the entire state of California. The railroads are the life blood of California, and are getting the 'skimmed milk' in return for their service."

### DATE SET FOR COUNTY FAIR

The Sonoma County fair will be held August 23 to 27 this year according to dates announced by the Western Fair Association following a meeting in the Palace Hotel, San Francisco, on last Saturday.

H. J. Waters, a director of the Sonoma County Fair Association was appointed a member of the legislative committee of the Western Fair Association. New officers elected were: H. E. Patterson, Fresno, president; J. J. Flaherty, Orland, vice president; Charles Paine, Sacramento, secretary.

The association received an offer from the state department of agriculture to place exhibits from that department in all fairs held in the state and will urge the state board of control to provide funds for transporting and maintaining these exhibits.

The association adopted a resolution asking the farm advisers and the agricultural extension division of the University of California to co-operate in urging the farmers to place exhibits in fairs.

Copies of the resolution will be sent to Prof. Crocheron, director of farm advisers and the regents of the university.

The next legislature will be asked to continue the support granted county fairs for 1921 and 1922.
